

MIC 26C Adv

The slim and compact design makes our MIC 26 C Adv implement carrier perfect for applications on pavements and in parks. Can be used all year round – whether for winter service or mowing.

1 Intelligent articulated steering

- For maximum manoeuvrability. Enables working close to edges and simplifies driving around obstacles.

2 Maximum operating comfort

- Comfortable and ergonomic cab with optimal all-round visibility.

3 Ergonomic joystick control

- Intuitive control of implements. For jerk-free and gentle movements.
- Reduces the number of operating elements in the cab.

4 Sweeping system developed for municipal use

- Sweeping system with optional water circulation system. Available either ex works or as subsequent accessory.
- Ideal for cleaning footpaths with a sweeping width from 900 to 1400 mm and a container size of 500 litres.

MIC 26C Adv

- Comfortable driver cabin
- Heating
- Air conditioning (optional)

Technical data

Order no.	1.442-211.2	
EAN code	4054278270531	
Dimensions (L × W × H)	mm	2470 × 1090 × 1970
Wheelbase	mm	1300
Permissible axle load, front	kg	900
Permissible axle load, rear	kg	1200
Total permissible weight	kg	1750
Drive	4-stroke diesel engine / Yanmar	
Drive - power	kW / hp	19.2 / 26
Cubic capacity	cc ³	1116
Cylinder	3	
Exhaust emissions standard	STAGE IIIA	
Fuel tank	l	37
Speed	km/h	20
Climbing ability	%	25
Noise level (in cab)	dB(A)	77
