

MC 250 STAGE V

The best of everything: Our environmentally friendly vacuum sweeper MC 250 impresses with a superior sweeping performance and maximum operating and driving comfort in all urban areas.

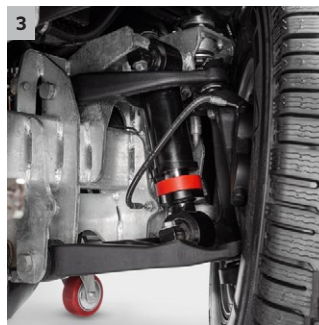

1 Ergonomic operating concept with operating panel integrated in the armrest

- Intuitive 2-joystick system for controlling the brush arm.
- Clearly arranged multifunctional display in the steering wheel rim.

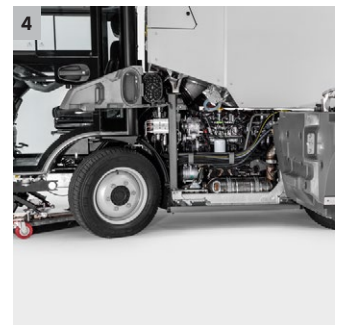

2 Largest waste container in its class

- Flow-optimised stainless steel waste container with over 2 m³ volume.
- Enables long work activities.

3 Safety chassis with maximum comfort

- Hydro-pneumatic suspension for enhanced driving comfort.
- Independent suspension minimises effects of uneven road surfaces on the steering.

4 Maintenance-friendly design

- All components relevant for cleaning and maintenance are readily accessible.
- With service flaps at the side and swivel-mounted fresh water tank.

MC 250 STAGE V

- Two-seater comfort cab
- Hydro-pneumatic suspension
- Switchable all-wheel steering

Technical data

Order no.	1.442-260.2	
EAN code	4054278530758	
Drive type	Diesel	
Traction drive	Four-cylinder engine with DPF	
Motor manufacturer	VM	
Motor type	R754	
Drive- performance	kW / hp	54.5 / 74
Emissions standard	STAGE V	
max. Speed	km/h	60
Working speed	km/h	20
Climbing ability	%	25
Working width with two side brushes	mm	2625
Max. working width with three side brushes	mm	2710
Waste container	l	2500
Fresh water tank	l	200
Emptying height	mm	1600
Turning radius	mm	2060
Weight, empty	kg	3800
Total permissible weight	kg	6000
Weight incl. packaging	kg	3800
Dimensions (L x W x H)	mm	4750 × 1300 × 1999
